<b>PART ONE: CITY REGULATIONS REGARDING CITY-PERMITTED HAULERS</b>
<p><b>City Regulations</b></p> <p>Section 8-83(h), Regulations, of Title 8 of the Costa Mesa Municipal Code indicates that “for any type of solid waste collection in the City, it shall be unlawful for any person to use the services offered by a person, service, or enterprise that has not obtained all the required permits from the City.”</p> <p><b>Contractors and/or owner-builders <u>cannot</u> self-haul waste to a City permitted waste hauler location. Weight tickets will <u>not</u> be accepted as verification for compliance of the City’s waste hauling requirements.</b></p> <p>For demolition, grading, or building permits involving projects with a valuation of \$10,000 or more, the contractor must use a City-permitted hauler(s) to haul any debris or solid waste from the job site.</p> <p><b>Administrative Penalty</b></p> <p>Use of a City-permitted hauler for this project is the responsibility of the designated contractor on this form. Non-compliance is subject to an administrative penalty as follows:</p> <p><b>\$1,000 or 3% of the total project value, whichever is greater.</b></p>

<b>PART TWO: COMPLIANCE AND DOCUMENTATION</b>
<p><b>Proof of Compliance</b></p> <p>For projects requiring <u>framing</u> inspections verification of using a City-permitted waste hauler is needed prior to scheduling inspection.</p> <p>Prior to issuance of <u>final</u> certificate of occupancy or release of utilities (whichever occurs first), the contractor shall demonstrate compliance by attaching all hauling receipts/invoices or other appropriate documentation as deemed by City staff from the City-permitted hauler used for the project. A copy of this form shall be attached, and the documents shall be submitted to:</p> <p><b>City of Costa Mesa, Department of Public Services, 4th Floor, 77 Fair Drive, Costa Mesa, CA 92628</b></p>

**NOTE: CONTRACTOR SELF-HAULING IS NOT  
PERMITTED FOR PROJECTS  
WITH A VALUATION OF \$10,000 OR MORE**

**Only haulers currently authorized in the City of Costa Mesa are legally entitled to collect debris and other solid wastes from your construction and/or demolition project with a valuation of \$10,000 or more.**

An updated list of authorized Waste Haulers is available at the 2<sup>nd</sup> floor and 4th floor public counters in Costa Mesa City Hall. An updated list of Waste Haulers authorized in the City of Costa Mesa can also be obtained by visiting the City of Costa Mesa's website at <http://www.costamesaca.gov> or contacting the Public Services Department/Administration Division at (714)754-5024 or (714)754-5323. The City of Costa Mesa has a non-exclusive Waste Hauler franchise system and therefore, should you have an interest in becoming an authorized hauler, application materials, legal, and reporting requirements are available on the city website.

***Only the permitted haulers currently listed are legally entitled to collect debris and other solid wastes from your construction/deconstruction project when the valuation is \$10,000 and above. If you do not hire an authorized waste hauler you will be subject to an administrative penalty of \$1,000 or more based upon project valuation.***

*Thank you,*
